

Membership Benefits

UJA

The UCA represents chiropractors who believe that the principles on which chiropractic was founded are as important today as they were in the beginning.

We support the idea that health is a natural state for the human body, and that the nervous system has a central role in regulating and coordinating the functions of the body. Being part of a group that shares these core values is a key benefit to being a member of the UCA.

We commit to Protect and Advance the Principles of Vitalistic Chiropractic.

The UCA Head Office staff and Executive are here to help and support you honor your goals and have developed an excellent service which includes many benefits:

➤ **Excellent Insurance Policy**

As a member of the UCA you are eligible to discounted professional indemnity insurance through Balens at an affordable rate – keep your practice protected through access to the most comprehensive support network for chiropractic risk management and legal advice.

➤ **Professional Support**

Head Office is open Mon – Fri 9am – 4pm to offer advice and assistance with any query you may have (big or small). It is our objective to return your calls and emails as quickly and efficiently as possible. If you are unfortunate to have a formal complaint via the GCC or direct from a patient the UCA will help you with your response and guide you through the process.

➤ **Membership of the Alliance of UK Chiropractors**

As a UCA member you are also given membership of the AUKC. The AUKC is an affiliation of the professional organisations dedicated to the protection, unity and strengthening of the Chiropractic profession in the UK. Emphasis is on education and political action to uphold and protect the rights of Chiropractors to serve their patients using an evidence-based patient centred approach.
