

# Road To Registration

1

Now is the time to register for FREE with the UCA so you can gain access to our ChiroBuddy program and find your mentor to guide you on your journey!

START

2

Start reviewing the UCA classified adverts to find your dream team to join!

3

Begin your preparation for results day and reviewing your application with the GCC.

4

Next, you need to complete your medical examination with your GP and send the completed form to the GCC.

5

Complete your character reference. References must be provided by someone of professional standing who you've been known to for 4 or more years, and who is not related to you, is not a patient or an employee.

6

Now it's time to set up your professional indemnity insurance! The UCA have an amazing policy and team with Balens ready to help you with this.

BONUS

Have you explored the RCC PRT programme which is optional to UCA members?
